Upper Animas Roundtable – A Multi-Agency Meeting on the Upper Animas Mining District

Agenda topics:

- **Introductions**
- **Purpose and Expectations of the Roundtable**

- **Part 1 – Statement and Clarification of Roles and Authorities Related to the Site**

    - EPA   *15-20 min. each agency*
        - Removal
        - Remedial
        - Enforcement
    - BLM
        - Removal
        - Remedial
        - Enforcement
        - PRP
    - CDPHE
        - Enforcement

    Questions Informing Part 1:

    - Who can do what on what lands (private vs. BLM vs. FS)?
    - Do we have overlap, duplication or gaps in our roles/authorities?
    - What tools/resources do we have to address the vulnerabilities (e.g., MOU)?
    - Do we have effective lines of communication among the agencies?
    - Are there other agencies with vested interests missing from our group?
    - Other?

- **Part 2 – Updates and Next Steps (Strategies)**
    - Update on 6/23 City and County Meeting (Steve & Cynthia)   *10 min.*
    - Where are We and What's been done to date?   *10 min.*
        - Red/Bonita Work
        - 2015 Sampling Event
        - Prior Work (BERA & OTEQ Model)
    - Revisit Site Management Strategy (Paula and Liz)   *10 min.*
    - Briefing from Paula on Data Gathering and Evaluation-Big Picture *5 min.*
    - Exercise-breakout groups to discuss the following (enforcement strategy, data management, data quality etc.):   *30 min.*
        - Progress made/Positive accomplishments
        - Obstacles/Unknowns to consider
